

*Erasmus Darwin - doctor, inventor, poet, idealist, forward thinker....a creator*  
 A man well ahead of his time, Darwin loved great food - so much so that in his later years, he had to have a semi-circle cut out of his dining table in order to sit at it comfortably!

Named after this local icon, Darwin's at The George offers a modern British dining experience that reflects the creative ideals of its namesake; our chefs craft dishes from exceptional quality ingredients to bring you food for thought.
